

Interns Selected for 2014 Summer Research Program

Twenty-two undergraduate student interns have been selected to participate in the 2014 WV-INBRE Summer Research Program at West Virginia University and Marshall University. Twelve interns will work at Marshall University and ten will conduct their internship at WVU. Fifty-four applications were reviewed to fill the twenty-two positions. Interns come from ten of the thirteen Primarily Undergraduate Institutions in the WV-INBRE network.

The Summer Research Program will run from May 27 till July 28. Interns will conduct biomedical research projects under the direction of faculty mentors and present the results at their research at the Summer Research Symposium, which is scheduled for July 28 at West Virginia University. The morning session of the symposium will consist of oral presentations by participants and a keynote lecture. Poster presentations will be held in the afternoon.
