

2018 Summer Fellows

WV-INBRE sponsors a Summer Research Fellowship Program for faculty members from the PUIs in the network. This year's summer fellows are Dr. Greg Polsinelli and Dr. Shinichi Asano.

Dr. Greg Polsinelli is a Visiting Assistant Professor in the Department of Biology at Bethany College. He will conduct his summer research in the laboratory of Dr. Hongwei Yu at the Joan C. Edwards School of Medicine at Marshall University.

Dr. Shinichi Asano is an Assistant Professor of Exercise Science at Fairmont State University. Dr. Asano will conduct his summer research in the laboratory of Dr. Paul Chantler at WVU.
