

## **INTERNS SELECTED FOR THE 2021 SUMMER RESEARCH PROGRAM**

Twenty-eight undergraduate student interns have been selected to participate in the 2021 WV-INBRE Summer Research Program at West Virginia University and Marshall University. Eleven interns will work at Marshall University and seventeen will conduct their internship at WVU. Interns come from eleven of the thirteen Primarily Undergraduate Institutions in the WV-INBRE network.

The Summer Research Program will run from June 1 till July 27. Interns will conduct biomedical research projects under the direction of faculty mentors and present the results of their research at the Summer Research Symposium, which is scheduled for July 27 at Marshall University. The morning session of the symposium will consist of oral presentations by participants and a keynote lecture. Poster presentations will be held in the afternoon.
